

Jesus, Prince of Peace,
we lift up to you the people of South Sudan.
In your mercy, protect the children and
families displaced and separated by the civil
conflicts occurring throughout South Sudan.
Give them hope, nourish them with love, and
sustain them in their quest to be one united
people. We ask this through Christ Our Lord.
Amen.

Mary, Mother of Mercy,
we ask you to intercede for the South
Sudanese people. They are a people
searching for an identity, hoping to live in
harmony and peace. Assist their leaders in
gaining wisdom to lead in truth and justice
so that South Sudan may be a caring and
peaceful nation.
Amen.
